When was the last time you had a financial checkup?

When you hear the work *checkup*, what comes to mind?

Most likely it's your physical health. But checkups are just as critical to your financial health—which may be equally important.

Most financial experts recommend you get a financial checkup at least once a year. The experienced and knowledgeable financial representatives at Thrivent Financial for Lutherans can help.

Thrivent Financial offers simple ways to deal with changes in your life that naturally lead to changes in your financial needs. For example, if you have a new grandchild, money you invested in a CD two years ago may now make more sense in a college savings plan. Or a recent job promotion may mean it's finally time to start saving for retirement.

Regular financial checkups are one of the most important ways you can ensure you're doing what's necessary today to help you achieve your long-term financial goals.

For a financial checkup or to discuss how Thrivent Financial can help you achieve your financial goals, contact Catherine Gateman, CLU, FIC, Financial Consultant, at 734-432-7777 ext. 103 or catherine.gateman@thrivent.com today, or visit www.thrivent.com.

Please sign the red attendance book at the end of the pew and pass it down. And remember to fill out a card when you receive communion.
